The District's Accomplishments and Challenges

Accomplishments: Improvement on state assessment tests school wide.

We are fully accredited.

Chetopa Elementary is first Great Expectation Model school in Kansas.

One to one iPad initiative in high schools.

Wide variety of extra-curricular activities.

JH is tech rich with laptops and iPads.

Virtual School and Course Recovery.

State and National award winning FFA program

Kansas Reading Roadmap program

Challenges: Reaching the state standard of excellence on all state assessment tests and ACT scores

Decline in enrollment.

Graduation rate.

Rising costs in salaries, insurance, utilities, fuel, etc.

The distance between Chetopa and St. Paul.

Making a better education for all students through the use of technology.

Costs of technology.

Dealing with the students' behaviors that are disruptive to the education of other students.

Decline in state aid in general and special funds.

Instruction includes teachers' salaries, benefits, supplemental salaries, supplies, equipment, internet, sports, student trips, etc.

7. Student Support Expenditures (2100)

Student support includes costs associated with counselor and nurse. These costs include salaries, benefits, supplies, and equipment.

8. Instructional Support Expenditures (2200)

Student support includes costs associated with the technology coordinator and the library. These costs include salaries, benefits, supplies, equipment, books, etc.

9. General Administration Expenditures (2300)

General administration includes salaries and benefits for general administration as well as insurance costs, professional and technical support, communications services, supplies and equipment and board expenses.

10. School Administration Expenditures (2400)

School administration includes salaries and benefits for principals and secretaries and supplies for the office.

11. Central Services Expenditures (2500)

Central Services includes the salaries and benefits for the business manager and all supplies or equipment that is need to run the business office.

12. Operations and Maintenance Expenditures (2600)

Operations and maintenance includes custodial salaries and benefits, custodial supplies and equipment, utilities and building maintenance.

13. Transportation Expenditures (2700)

Transportation expenditures include all transportation costs associated with the transporting of students or staff. This would include salaries, benefits, vehicle maintenance, vehicles, insurance, and other transportation related costs.

14. Other Support Services Expenditures (2900)

Currently, we do not have any function 2900 support services.

15. Food Service Expenditures (3100)

The Food Service expenditures would include all expenses associated with the meals served to students and staff. These expenses would include salaries, benefits, equipment, supplies, food and other food service related expenses.

16. Community Services Operations (3300)

We currently do not have any function 3300 expenses.

17. Capital Improvements (4000)

Capital improvements will include equipment, repairs, land acquisitions and improvements.

18. Debt Services (5100)

This function would include the payment of interest and principal on any outstanding bonds.

19. Miscellaneous Information – Transfers (5200)

This includes transfers to funds such as Special Education, Driver's Education, Food Service, Capital Outlay, Professional Development, KPERS, Summer School, At-Risk, At-Risk Preschool and Vocational Education. These transfers help to fund the expenses in each of these funds.

20. Miscellaneous Information Unencumbered Cash Balance by Fund

These are the funds that are allowed to have a carryover balance. Supplemental general can only have a cash balance if we have used up our budget authority. The supplemental general balance is the balance after we have used all of our budget authority for the previous school year. We try to maintain a steady balance or increase the cash balances from the previous year in all funds that are allowed a cash balance. This will decrease the amount needing to be transferred in the current school year.

21. Reserve Funds Unencumbered Cash Balance

We do not utilize the reserve funds. We purchase our insurance instead of being self-insured

22. Other Information – Enrollment Information

Our enrollment has been declining for the past few years. It is our hope that the decrease in enrollment will stabilize and our enrollment will stay steady.

23. Miscellaneous Information Mill Rates by Fund

We try to keep the mill levy as steady as possible. We have been seeing increases due to the reduction in state aid and the adding of a bond fund mill levy in 2007.

24. Other Information – Assessed Valuation and Bonded Indebtedness

The amount shown on indebtedness is the amount owed on our general obligation bonds. The general obligation bonds were issued for the most recent building projects and the purchase of technology.

Note: The FTE (full time equivalency) used in this report to calculate the “Amount Per Pupil” is defined as follows: Enrollment (FTE) includes the current year enrollment on September 20, February 20, 4 yr old at-risk, and virtual. It does not include non-funded preschool or full-day kindergarten not on an IEP.
