

Ms. Strasser – Lesson Plans 4/6-5/21

Please don't feel overwhelmed call me with any questions or message me on SeeSaw! My number is 620-778-4166.

For reading, everything is in order and paperclipped by weeks. I extended Unit 6 Week 1 for two weeks, and Unit 6 Week 2 for 2 weeks, after that each unit will be weekly. I did this for you guys to get used to this. Please work at your own pace. You will be taking pictures of assignments and sending them to me through SeeSaw or text message as you finish. For Math it is all the way we learned. Just go with the directions if you don't understand just skip and move on.

I will be using ZOOM to connect with your child Mon-Thurs at 3 p.m. everyday. If you can't connect at that time it will be recorded but please please try to join!!!

This is their wonders website connect ed <https://connected.mcgraw-hill.com/connected/login.do> their username is the same as their IXL. Their password is chetopa2. If they don't remember their username message me and I will get that for them.

PLEASE READ AND DO IXL EVERYDAY. FOR SOME EXTRA PRACTICE. If they complete all the standards on IXL I will be getting them a treat!
