

## Lesson Plans for April 20-23, 2020

Dear Parents and Students,

I am here for you. If you need help or support you can reach me through my email [jbruington@usd505.org](mailto:jbruington@usd505.org), Seesaw, or you can call me at (620) 926-1094. I am available at any time throughout the day.

Students need to get on IXL **daily** for around 20-25 minutes split between working on Language Arts and Math. **PLEASE make sure that your student is getting on to do this work.** This is one of the things that we are using to track and make sure that your student is still making progress in school. I am also giving a grade on this every week. Five points for a skill that are assigned daily and five points for keeping their diagnostic updated. This will total 25 points.

I will go live daily at 10:00 AM on Zoom daily. I will send out a notification on Seesaw 10-15 minutes before the meeting starts. Students can join to ask me any questions about the work being sent home.

In regards to the work being sent home. None of this will come back to the school. Instead I would like you to take a picture or pictures of the completed work and either send it to me via Seesaw, text or email. I will be able to grade it virtually.
