

Lesson Plans for May 4th-May 8th

Monday, May 4th

Reading/Phonics-Question of the week-Who helps you?

Phonics sound of the week- Variant Vowel /o/

- This vowel sound can be spelled; a, aw, au, augh, and al
- Please click on the link below and enjoy learning our new sound for this week <https://www.youtube.com/watch?v=GHPyJ5svbgM&t=1s>
- Read phonics and high frequency words on Word Recognition page.
- Practice reading "Coaches" decodable book.
- Try to find words that have the variant vowel /o/ sound in your "Coaches" booklet. If you find a word with that sound, highlight it with a yellow marker/crayon.
- Watch Mrs. Dent's video on Seesaw. I will be reading "Anansi's Son".

Math- Measuring

- Please click on the link to watch a quick video of Measuring Lengths <https://www.youtube.com/watch?v=VIQg8e0erEE>
- **IXL-Math Skill-Compare Objects: Length and Height and Wide and Narrow** (These are located in the upper, right-hand corner with a yellow star. Click on it and it should drop down and give the skills that have been assigned to them)

****How are you feeling today? Please send me a quick sentence on how you are feeling!**
